

VISIX VSX Camera Model EOL Notification

Select VISIX VSX 1.3, 2, 3 and 5MP Camera Models replaced with New VX Camera Models

Effective September 1st, 2014 3xLOGIC will no longer accept orders for the VISIX VSX camera models listed below. All orders placed on or after September 1st will be evaluated against existing product inventory. If stock exists 3xLOGIC will accept the order and ship, otherwise the customer will be advised of equivalent product replacement. This will affect the following part numbers:

VISIX VSX 1.3MP, 2MP, 3MP and 5MP EOL

VISIX VSX camera models are being replaced by new VX Series models.
